MISSION AND VISION OF THE MIDDLE SCHOOL

Chamberlain Middle School is a unique educational entity that provides a guided and gradual transition from the primary to the secondary level. The main emphasis is on the educational, social, emotional, and physical growth of the transcendent child. Chamberlain Middle School is a partnership of the facility, the home, and the community centered on student needs.

In our middle school, special attention is given to developing independence, responsibility, and self-discipline by encouraging students to become self-directed. The student-centered curriculum allows students to develop their individual intellectual abilities and basic social skills by providing varied experiences in the arts and opportunities for athletic development.

Teachers at Chamberlain Middle School are sensitive to the unique needs of children of this age. They serve as advisors and role models, challenging students with new ideas. Teachers also seek the talents of parents and the community to inspire children to reach for goals.

Chamberlain Middle School provides a caring, supportive atmosphere, recognizing the talents and uniqueness of each student, promoting the joy of learning, and acknowledging the worth of each child. The middle school program meets the child on his/her own level and enhances learning through a positive teacher/student relationship, a challenging curriculum, and an environment that is structured and safe. The ultimate achievement is the promotion of self-esteem and a sense of belonging for each student.

GOALS

The middle school program will provide the opportunity for the students to...

- 1) Build on their educational backgrounds and prepare for future learning experiences.
- 2) Pursue the development of skills, knowledge, and individual potential.
- 3) Experience group interaction, which will contribute to their personal growth.
- 4) Grow mentally and physically.
- 5) Become participating citizens of their school and community.
- 6) Develop self-expression through the arts.
- 7) Develop positive self-image.
- 8) Understand and resolve the social, physical, and emotional changes of adolescence.

RESIDENCY VERIFICATION

We reserve the right to require verification of residency (proof of residency consisting of a deed, building permit, rental agreement, tax statement, voter registration card, or completion of Form 5111 F2a, or Form 5111 F2b). In addition, proof of paying the district 1% income tax is a requirement of enrollment.

GRADING POLICY

In an effort to communicate effectively the strengths and weaknesses of the individual student, Chamberlain Middle School shall report pupil progress. Pupil progress will be determined by

the use of evaluation techniques as prescribed in the course of study for each curricular area. Progress will be reported at regular intervals and will be a measure of the student's achievement in meeting the instructional objectives in each of the curricular areas. Guidelines to promote consistency of grading and reporting within the school district, between buildings, at grade levels, and within subject areas have been established and are implemented. The district grading scale for grades 1-12 is:

100-93	A	4.0
92-90	A-	3.7
89-87	B+	3.3
86-84	B	3.0
83-80	B-	2.7

General

BETWEEN PERIODS

During class changes, students will have four minutes to pass from class to class. This is ample time to use the restroom facilities. A student who is tardy to class will be indicated as tardy on the period's attendance.

BUSES

Students are to ride the bus assigned. Permission to ride another bus may be obtained from an administrator only in emergency situations with a note from your guardian. Continued misbehavior or a severe act of misbehavior may result in temporary or permanent removal from the bus.

CARE OF SCHOOL PROPERTY

Students need to exhibit pride and respect for school property. Any destruction to school property will result in disciplinary action. The student will assume the cost of such damage. NOTE: BOARD POLICY STATES THAT CHARGES MAY BE FILED IF THE DAMAGE EXCEEDS \$100.00.

HOMework POLICY

Homework is an important part of the learning process and is expected to be completed. Failure to complete and turn-in homework may result in disciplinary action.

MAKE-UP PRIVILEGES

It is the student's responsibility to see his/her teacher for make-up work. If a student has an excused absence from school, he/she has one day for each absence to make up work. At the teacher's discretion, additional days may be given for make-up work (if the student requests and the teacher agrees). Students with an unexcused absence may receive a zero for the day's activity. Students who are suspended or expelled may make up missed work but may not receive credit. It is the students'/parents' responsibility to request such work.

PROMOTION / RETENTION

It is the philosophy of the Carlisle Local School District to provide each student with the appropriate instruction, support services, and intervention programs to give students the opportunity to progress successfully through our system. The program at Chamberlain Middle School strives to provide the greatest opportunities for all students.

A child may be retained when standards have not been met. When a child's promotion or course completion is in danger, every effort will be made and duly recorded to notify parents by means of grade cards, progress reports, parent-teacher conferences, letters, phone calls or any other home/school communication.

Promotion in the middle school shall be based on successful completion of the grade level State Test and a passing mark in at least three of the four subjects: language arts, mathematics, science, and social studies. The following educators will serve on the committee that will recommend promotion, retention or assignment to the next grade: teacher(s), principal, counselor, parents, and school psychologist (If applicable).

ADVANCED PLACEMENT FOR MIDDLE SCHOOL STUDENTS

Items to be considered in determining placement for advanced classes:

1. Recommendation from current teacher
2. Parent contact (Expectation handout)
3. A grade of B or better in current class
4. Students who score at least "ACCELERATED" on the state test.
5. Written Assessment by district gifted coordinator

PLEASE NOTE - THE FOLLOWING HIGH SCHOOL CREDITS WILL BE EARNED FOR MIDDLE SCHOOL STUDENTS: Algebra 1 and Physical Science: 7th Graders taking Algebra 1 – receives a HS credit for Algebra 1; 8th Graders taking Algebra 1 – receives a HS Math credit for Algebra 1. Students get a HS credit for Physical Sciences as well. If the student is accelerated past Alg. 1 and Physical Science at any time, high school GPA calculation will begin.

HONOR / MERIT ROLL & PRINCIPALS' LIST

Students selected to the Honor Roll, Merit Roll, or Principals' List will be determined by the students' grade point average (G.P.A.). Grade point averages will determine the following:

Merit Roll	3.0-3.49
Honor Roll	3.5-3.99
Principals' List	4.0

The list of students who achieved these honors will be published in the local paper.

NATIONAL JUNIOR HONOR SOCIETY

The 7th and 8th grade students who qualify for this group will be selected in the spring of the year in which they qualify. Selection is based on **leadership, citizenship, character, scholarship and service**; students must excel in all of these areas. Students must also have at least a 3.5 GPA. The

students must complete and return the student activity form by the deadline. All the teachers in the suggested areas will evaluate eligible and interested students on a 1 through 5 scale. A faculty council will meet to review all information gathered. **Starting in the 2017-2018 school year, there will be a one-time \$20.00 fee for those that are inducted into NJHS.**

LUNCH

All students at Chamberlain Middle School will have a closed lunch period. They may bring a healthy lunch from home or purchase cafeteria food. Good manners and proper conduct are expected in the cafeteria. Each table must be wiped with a clean, wet towel before students are excused. Tablemates share this responsibility equally. During lunch periods, students are to be in the cafeteria until dismissed. A student must secure permission from the supervisor or principal on duty before leaving the cafeteria. Students are not to return to the classroom areas of the building during their lunch periods because classes are in session at that time. **No carbonated drinks brought from home are allowed in cafeteria.**

LUNCH PRICES

6-12	\$2.50
BASKET	\$3.00

LOCKERS

As a student of Chamberlain Middle School, you will be assigned a hall locker in which to keep your books, book bag and other property. A teacher or a principal will assign the lockers to you. Students are expected to keep the lockers neat and clean. The lockers and their contents are the property of the school district and may be inspected at any time. **The school is not responsible for items that are lost or stolen as a result of not locking the locker or giving the combination to someone else.** The principal must approve the switching of lockers or moving into any locker other than your assigned locker.

CARE OF BOOKS

At the end of the school year, students are expected to pay for any damage done to a textbook or library book that was assigned to their usage and care. For this reason we require students to cover their textbooks to prolong the life of the books. It is important that students make the teacher aware of any damage to a book at the time it is issued.

MEDICATION AT SCHOOL

According to school board policy, the following procedures must be completed in order for the school to administer prescription and/or non-prescription medication:

- 1) Have parent fill out a Parental Authorization and Release Form.
- 2) Doctor must sign the Physician's Request for medication.
- 3) Parent must bring the medication to the office.
- 4) The medication must be in the original container from the pharmacy with the label completely readable.
- 5) The medication will remain in the main office.

6) Over-the-counter medication is prohibited from being in school unless a physician authorizes it.

The same procedure as listed above must be followed.

Student use of inhalers for medical reasons:

A student may be permitted to carry and use an inhaler prescribed by a medical doctor to alleviate allergy, bronchial, lung, or other medical problems. The student's parent/guardian must provide a letter, or copy of medical prescription, written by a medical doctor justifying the student's need to carry and use the inhaler on school grounds. A copy of such letter or prescription must precede possession of an inhaler on school grounds and must be given to the principal, who will notify the teachers and school nurse.

College Credit + Options (Formally known as PSEO)

An option for students who are enrolled in qualified and selected CC+ courses. Carlisle Local Schools will be partnering with local universities to enable students who are enrolled in this selected course to also be enrolled in similar courses through each university. Students who apply to the participating college or university and meet the IHE's (Institute of Higher Education) established standards for admission and course placement to enroll in approved postsecondary program during the 7th, 8th, 9th, 10th, 11th or 12th grade year while in attendance in the District. Students will be eligible to receive secondary credit for completing and of these programs (1 Secondary credit = 3 IHE Semester hours. Credits less the 3 will be converted proportionately). Student cannot take beyond 30 credit hours in an academic year and no more the 120 credit hours in high school. Parents and students must attend the CC+ meeting in mid-February/March offered by the high school in order to participate in this program. All CC+ applications must be submitted by May 1st and student/parents must attend the CC+ meeting to participate in CC+. All students who ONLY attend a CCP college MUST take at the least the equivalent of five Carnegie units (5 high school credits) throughout the entire year. College Credit Plus courses are weighted the same as AP classes and all materials and textbooks must be sold back to the book store for credit to CLSD no later than 5 days after the last day of class. If it is not returned, the full price of the book will be added to your school fees. Financial obligation will default to the student/parent if the student withdraws from the course or otherwise fails to complete the course. If, after graduating from high school, a student enrolls in a college or university in which he or she was enrolled under this program, the college or university must award full credit for any course the student successfully completed under this program. If you are interested in more information about or Post-Secondary Enrollment Options, please see the building principal or guidance counselor. They will give you a copy of the district policy.

EXTRACURRICULAR ACTIVITY RULES

Students involved in any extracurricular activity as participants or spectators are expected to abide by all regular school rules whether the activity is at Carlisle or any location away from school.

Every student is expected to spend the day in school. Students absent from school are not eligible to participate in any extracurricular activity. **STUDENTS WHO ARRIVE TO SCHOOL AFTER 8AM or MISS ANY OTHER PART OF THE SCHOOL DAY MUST PRESENT A**

DOCTOR'S NOTE IN ORDER TO PARTICIPATE IN EXTRA CURRICULAR EVENTS FOR THAT SCHOOL DAY (including practices).

Any student who has an unexcused absence on a Friday will not be permitted to participate in any extracurricular activity on Saturday or Sunday. In the event of a true emergency, the building principal or athletic director may grant an exception. **The parent of the absent student must contact the building principal as early in the day of the activity as possible to request such an exception.**

ATHLETIC ELIGIBILITY

8th grade athletic eligibility for fall sports is based on the grades from previous year's 4th quarter. 7th grade students are automatically eligible for fall sports. Newly enrolled 7th and 8th graders are eligible for a two-week grace period. Eligibility is checked every two weeks. Students failing two or more classes for a week become ineligible the following Monday for a two week period. Students receiving two F's or at below a 1.25 G.P.A. at the end of any grading period become ineligible for the entire next quarter.

Athletes are required to pay an Athletic Fee of \$50.00 (per sport) and School Fees of \$65.00 payable by the first contest. Playing privileges may be denied if not paid in full. Payment plans can be established upon request. Note: any payment from previous sports must be paid in full before participation (or an additional payment plan) will be granted.

TRANSPORTATION

The school will provide transportation for all interscholastic activities. Participants are to be transported home from contests by the same means as they were transported to the contest. Exceptions must have prior approval of the building principal, athletic director, or assistant principal.

Attendance Policy

Documentation for Absences, Tardies and Early Dismissals

Generally, twelve (12) occurrences of absences from school, which include full days, partial days, tardies and early dismissals may be documented by a parent/guardian phone call.

Medical notes shall not count against the 12 occurrences that a parent may excuse.

Absences (full and partial days), tardies and early dismissals in excess 12 occurrences may not be excused by a parent and shall require documentation by the child's treating physician, nurse practitioner, or physician's assistant- unless an occurrence is otherwise excused by the Principal due to unusual circumstances.

The foregoing general rule is for the convenience of school officials in the administration of this attendance regulation. This rule does not create an entitlement for a student to be absent from school 12 times. Application of this general regulation may be waived by school officials where circumstances indicate that its application does not serve the student's best interest. Those circumstances include, but are not limited to: the student's attendance in the current or prior school years; instances where students/parents have been adjudicated guilty for truancy related offenses or currently under active supervision or probation. Excused occurrences from school shall be granted only on the condition of a note from a physician, nurse practitioner, physician's assistant, or excused by the school Principal.

Nothing contained in this attendance regulation is intended nor should be construed as restricting the discretion of school officials to make such inquiries and request such verification/documentation as is reasonably necessary to determine if an occurrence (full day absence, partial day absence, tardy or early dismissal) is excused.

Tardiness

Being punctual to school is the minimum expectation that we have for all of our students. Any student arriving in class in their assigned seat after **7:25 A.M.** must report directly to the attendance office to obtain a tardy slip. The tardy slip must be presented to the teacher to be admitted to class. The attendance office will track tardies and report to the administration.

Chronic tardies, eight (8) or more in a semester may result in after school detention, Thursday school, referral to counselor, in-school suspension or loss of driving privileges.

Early Dismissal

Students must bring in their early dismissal note to the attendance office in the morning before school starts. All early dismissals will be counted toward the student's 12 occurrences in the school year. In all cases, a parent/guardian will be contacted to provide permission and a valid reason for the early dismissal. When a student arrives on the campus property he/she is under the jurisdiction of the school district until the end of the day. No student may leave the premises during the school day without proper authority from the attendance office. Also, no student will be permitted to return to school unless an "off-grounds" pass has been issued with a return time marked on it.

Absences

Students who miss school are required to have their parent/guardian contact the attendance office on or before **9:25** A.M.

If the school doesn't receive notification, a phone call will automatically be made to the parent/guardian. If the parent/guardian fails to contact the school, the absence will be considered unexcused until a parent/guardian makes direct contact (within 5 days) with the attendance office to verify the student's absence.

All notes parental/guardian or physician's must be submitted to the attendance office within five (5) days of the absence, otherwise the absence will be unexcused.

Unexcused Occurrences from school:

The Ohio Revised Code define a student as being a habitual truant when a student has:

30 consecutive hours of unexcused occurrences from school, or

42 hours unexcused occurrences from school in a school-month, or

72 hours unexcused occurrences from school in a school year.

If a student acquires 38 hours in one month or 65 hours of excused or unexcused occurrences in one school year, a warning letter will be mailed to parent/guardian.

The school, in compliance with Ohio Truancy Laws has established the following intervention strategies to avoid unexcused occurrences, partial and full days, tardies and early dismissal.

If a student acquires 45 hours of unexcused occurrences a Truancy Education Meeting will be scheduled. This group meeting will be held in your child's school district. The purpose of this meeting is to advise parents/guardians of the new truancy laws, school policy, and student current attendance records.

If a student acquires 30 hours of occurrences an Absence Intervention Team meeting will be scheduled by the Truancy Officer, for the purpose of developing an Absence Intervention Plan. The team shall consist of the student, parent/guardian or their designee (a pre-approval FERPA form release for a designee to attend in a parent's place must be filed by the parent for the designee to participate in the Absence Intervention Team meeting), school administrator or their designee, and Attendance officer. The team may also include the school psychologist, counselor, social worker, or representative of a public or nonprofit agency designed to assist students and their families in reducing absences and representative of the Juvenile Court.

If the parent/guardian fails to attend or otherwise respond and participate in the Absence Intervention Team, the school shall do both of the following:

- Investigate whether the parent/guardian's failure to attend triggers mandatory reporting to the public children services agency or instruct the Absence Intervention Team to develop an intervention plan for the child notwithstanding the absence of the parent/guardian.
- If the student fails to comply with the Truancy Intervention Plan and meets the legal definition of habitual truant, charges will be filed in Warren County Juvenile Court.

Legal Statutes Governing School Attendance

Education of children is the responsibility of each state, not the federal government.

In 1825, the Ohio legislature approved "public" or "common" schools in Ohio. Then, in 1877, the Ohio legislature made education mandatory for all children 6-18 years old.

Each state has its own compulsory attendance law which requires children to attend school.

Below, are specific laws/statutes from the Ohio Revised Code that govern public education in Ohio.

OHIO REVISED CODE

2151.011 (B-6). A child is a person under 18 years. If a child is adjudicated as an unruly child, juvenile court has jurisdiction until 21 years.

2151.022. An "unruly child" is one who fails to submit to the reasonable control of a parent, teacher, guardian, or custodian, any child who is a habitual truant from school, any child who injures or endangers the child's or others health or morals, and any child who violates certain laws.

2919.24. Contributing. Any adult who shall aid, abet, cause, encourage, or contribute to a child becoming unruly or a delinquent.

3321.03. It is the duty of each parent to cause his/her child to attend school.

3321.04. Children who have moved to a new district must begin to attend school within one week (5 days).

3321.04 (C). The board of education shall prescribe excused occurrences for good and sufficient reasons.

3321.16. An attendance officer shall investigate any case of non-attendance of school for any child under the age of 18 years and Truancy Intervention Team will be assigned to assist student & parents to re-engage in school.

3321.19 (B). No parent, without good cause, shall fail to attend an educational program or compel their child to attend school.

3321.19 (C). The attendance officer shall warn parents, in writing, of the legal consequences of habitual truancy.

3321.16. For truancy, the district may provide intervention strategies or request charges be filed in juvenile court.

3321.99. Parents may be fined \$500 for truancy violations and may be ordered to perform 70 hours of community service.

DISCIPLINE

It is the responsibility of the student to adopt patterns of behavior that will contribute to rather than disrupt the educational process. **In dealing with disciplinary situations, the following actions are considered within the scope of Ohio School Law to be suitable approaches after teacher/team led disciplinary steps:**

- Student Counseling
- Parent notification or conference
- Detention
- Thursday/Saturday School
- In School Study
- Suspension: including out of school or bus
- Court Referral
- Expulsion
- Exclusion
- Referral to proper law enforcement agency

Chamberlain Middle School administrators will attempt to follow a progressive discipline procedure when acting upon student office referrals. NOTE: Certain student violations of the Carlisle Local Schools Student Code of Conduct could result in an administrator bypassing disciplinary steps.

While under any jurisdiction of the school, on school property, or at any school-sponsored activity (on or off school grounds), a violation on the part of a student of any of the rules set forth in this handbook or any adopted Carlisle Board of Education Policy (Student Code of Conduct) will result in disciplinary action.

Any student may be suspended, expelled, or removed from attendance at school for misconduct as noted in state law, Board of Education policies and Student Code of Conduct including, but not limited to, misconduct that occurs off school property but which is connected to events, activities, or school personnel of the school district. Such misconduct may occur on, off, or in the vicinity of school grounds, which is directed at or involves a school employee or his/her property.

The Student Code of Conduct meets the intent of the Ohio Revised Code which requires each board of education to adopt a set of rules and regulations designed to maintain order and discipline necessary for effective learning. The Carlisle Board of Education's primary concern is that students who wish to learn can do so in an environment conducive to learning and that disciplinary and prescriptive means be employed on behalf of those who would destroy or deny such an environment. This code and its provisions shall be applicable to the following behaviors occurring on school property, at school-related activities away from school, and occurring off school property but are designed to have a negative impact on school or the district. Violations can occur against other students, school employees, visitors to school, or to the school environment in general. Students who violate the Code of Conduct are subject to Thursday school, in-school alternative discipline class/program/building (this may occur in or outside the school district and during or after the normal school day), in-school suspension, out-of-school suspension, denial of bus privileges, denial of driving privileges, emergency removal from school, denial of participation or suspension from extracurricular activities, or expulsion.

HARASSMENT POLICY

The Chamberlain Middle School believes that every individual deserves to come to school without fear of demeaning remarks or actions. Students who are assigned Tuesday/Thursday/Saturday School should bring materials to work the **entire period**. No talking will be permitted. Students will be given one restroom break. Students not following directions or skipping the assigned Tuesday/Thursday/Saturday School will be subject to additional disciplinary action. Tuesday/Thursday/Saturday School will only be reassigned with prior approval of the principal.

ANTI-HAZING POLICY

No administrator, faculty member, or other employee of the school district shall encourage, permit, condone, or tolerate a hazing activity. No student, including leaders of student organizations, shall plan, encourage, or engage in any hazing. Hazing is defined as doing any act or coercing another, including the victim, to do any act of initiation into any student or other organization that causes or creates a substantial risk of causing mental or physical harm to any person. Permission, consent, or assumption of risk by an individual subjected to hazing does not lessen the prohibition of this policy. If hazing or planned hazing is discovered, involved students shall be informed by the discovering school employee of the prohibition of hazing and end all hazing activities immediately. All hazing incidents shall be reported immediately to the Superintendent. Failure to abide by this policy by school personnel may be subject to disciplinary action and may be liable for civil and criminal penalties in accordance with Ohio law.

1. Any student who is assigned a combination of 2 or more Tuesday/Thursday/Saturday Schools or In School Study sessions, will not be eligible for a field trip during that semester (Adm. Discretion).
2. Any student who is suspended from school will not be eligible for a field trip during that semester (Adm. Discretion).
3. Misbehavior on a previous trip during the current school year will result in no field trips for that student for the remainder of the school year.
4. A student with excessive absences from school will be ineligible for any field trip.

All students will be given a password and will be expected to follow all rules and regulations regarding computer usage. Any student who uses any computer or computer equipment improperly will be subject to a loss of computer privileges and/or possible disciplinary action.

CHEMICAL INTERVENTION POLICY

The Carlisle Local Schools recognize that chemical dependency, “including alcoholism”, is a treatable disease. Chemical dependency is defined as an illness in which consumption of chemicals interferes with the learning process or adversely affects one’s health. While health problems are primarily the responsibility of the home and community, the school shares in that responsibility when chemical dependency interferes with a student’s performance. The responsibility for dealing with student use and abuse of chemicals is a shared one. It is the responsibility of the teaching staff, administration, Board of Education, counselors, students and parents. Consequently, Carlisle Local Schools mandates the following concerning

student possession, use, and/or abuse of chemicals: A student shall not possess, use, transfer, conceal, sell, deliver, consume, share, handle, store, acquire, buy, represent, make, or be under the influence of narcotics, drugs, or alcohol, or in any manner engage in drug abuse while on school property or attending any school-related function. The above sentence does not apply to possession and proper use of prescription drugs under a doctor’s orders. Procedures for the possession and proper use of prescription drugs have been established by board policy (Chapter I, pp. 72-77). No student shall possess, use, transfer, conceal, sell, attempt to sell, consume, share handle, store, acquire, buy, represent, make, apply, or deliver any object designed to inject, conceal, smoke, or enhance the effects of narcotic drugs, marijuana, isobutyl nitrate, alcoholic beverages, stimulants, hallucinogenic drug, amphetamine, barbiturate, tranquilizer, intoxicant, solvent, gas, inhalants, amyl nitrate, or any mood altering chemical, drug or abuse of prescription drug, any counterfeit controlled substance, or any object deemed to be drug related while on school property or attending any school related function. Any confiscated substance and/or substance-related properties shall be turned over to the proper juvenile or law enforcement authorities.

UNDER THE INFLUENCE

Under the influence is defined as manifesting signs of chemical use such as staggering, reddened eyes, odor of chemicals, nervousness, restlessness, falling asleep in class, memory loss, abusive language, or any other behavior not normal for that particular student.

PRESCRIPTION DRUG

A prescription drug is defined as a drug authorized by a medical prescription from a licensed physician, shall not be considered a violation of this rule as long as a parent’s statement, signed physician’s statement, and/or prescription label is presented to the school nurse or Principal’s office. Such medication shall be kept in the security of school personnel (See board policy Chapter I, pp. 72-77)

COUNTERFEIT CONTROLLED SUBSTANCES OR “LOOKALIKES” (as defined in the Ohio revised Code 2925.01):

- Any drug that bears, or whose container or label bears, a trademark, trade name, or other identifying mark used without authorization of the owner of rights to such trademark, trade name, or identifying mark;

- Any unmarked or unlabeled substance that is represented to be controlled substance manufactured, processed, packed, or distributed by a person other than the person that manufactured, processed, packed or distributed it.
- Any substance that is represented to be a controlled substance, but is not a controlled substance or is a different controlled substance;
- Any substance other than a controlled substance that a reasonable person would believe to be a controlled substance because of its similarity in shape, size, and color, or its marking, labeling, packaging, distribution, or the price for which it is sold or offered for sale.
 - No person shall possess any counterfeit controlled substance.
 - No person shall make, possess, sell, offer to sell, or deliver any substance that he/she knows is a counterfeit controlled substance.
 - No person shall make, possess, sell, offer to sell, or deliver any punch, die, plate, or stone, or other device knowingly or having reason to know that it will be used to print or reproduce a trademark, trade name, or other identifying mark upon a counterfeit controlled substance.
 - No person shall sell, offer to sell, give, or deliver any counterfeit controlled substance to a person under the age of eighteen.
 - No person shall directly or indirectly represent a counterfeit controlled substance as a controlled substance by describing its effects as the physical effects associated with the use of a controlled substance.
 - No person shall directly or indirectly falsely represent or advertise a counterfeit controlled substance.
 - Whoever violates any one, part, or all of (1) through (6) of this section is guilty of a felony and will be reported to the appropriate police department and juvenile authorities.

PROCEDURES FOR KINDERGARTEN THROUGH GRADE FIVE:

First Offense in a School Year:

- The Principal, school nurse, or designated Core-team member will collect data from all the teachers of the child.
- The Principal, the school nurse, and other appropriate persons will have a conference with the parents.
- The student may be suspended up to ten (10) days.
- If the data collected indicates chemical related problems, it is required that the student seek a professional evaluation from a trained Chemical Dependency Counselor or a licensed physician trained in chemical dependency that is mutually agreed upon by both parties. Carlisle Local Schools believe that the earliest possible intervention in the disease process means less destruction for the elementary student who may be experimenting with or is harmfully involved with chemicals.
- If the student and/or parent/guardian agrees to undergo a professional chemical dependency evaluation (student) and/or counseling (parent/guardian), the suspension may be reduced or eliminated.

Second Offense in a School Year:

- The Principal, school nurse, or designated core-team member will collect data from all teachers or the child, to see if any significant behavior changes have occurred since the first offense.

- o The Principal, the school nurse, and other appropriate persons will have a conference with the parents.
- o The student may be suspended up to ten (10) days and/or recommended for expulsion.
- o The child must be evaluated by a trained Chemical Dependency Counselor or a licensed physician trained in chemical dependency for a professional opinion concerning where he/she fall on continuum between experimentation and addiction. Education or treatment may be recommended by the referral agency.
- o If the student and/or parent/guardian agree to undergo professional chemical dependency evaluation (student) and/or counseling (parent/guardian), the suspension may be reduced or eliminated.
- o Failure of student and/or parent/guardian to comply with the recommendations of the school and/or referral agency will result in the student being suspended up to ten (10) days and/or recommended for expulsion.
- o Any continued chemical-related offenses may result in the Principal recommending expulsion of the student to the Superintendent of the schools.

PROCEDURES FOR GRADES SIX THROUGH TWELVE:

The following procedures will be followed in dealing with the above situations (except selling, supplying, offering to sell, or dealing).

First Offense in a School Year:

- It is recognized that such an offense is a violation of the law so the Principal/Assistant Principal will notify the Juvenile Authorities and appropriate law enforcement agencies to file charges against the student.
- The Principal/Assistant Principal will suspend the student for ten (10) days in compliance with the Student Due Process procedures.
- The Principal/Assistant Principal will notify the parent(s)/guardian(s) in writing.
- The Principal/Assistant Principal will notify the school counselor and building Core-team coordinator.
- The Principal/Assistant Principal will contact the parent(s) /guardian(s) to arrange a conference.
- It is required that the student seek a professional evaluation by a trained Chemical Dependency Counselor or a licensed physician trained in chemical dependency that is mutually agreed upon by both parties within the ten (10) day suspension period. Carlisle Local Schools believes that early intervention in the disease process means less destruction for the student who may be harmfully involved and a greater likelihood of recovery.
- The contacted agency or office will notify the school Core-team coordinator that the client has made contact and is complying with the appropriate treatment process. The treatment process must commence within ten (10) days of the evaluation unless otherwise stated by the agency.
- If the agency notifies the school that the student is not participating in the treatment program (such as missed appointments, chemical use during treatment, not complying with reasonable program rules, etc.), a recommendation by the Principal/Assistant Principal to the Superintendent of Schools that the student be expelled will occur.

Second Offense in a School Year

- It is recognized that such an offense is a violation of the law so the Principal/Assistant Principal will notify the Juvenile Authorities and appropriate law enforcement agencies to file charges against the student.

- The Principal/Assistant Principal will notify the parent(s)/guardian(s) in writing.
- The Principal/Assistant Principal will notify the school counselor and Core-team coordinator.
- The Principal/Assistant Principal will contact the parent(s)/guardian(s) to arrange a conference.
- The Principal/Assistant Principal will recommend to the Superintendent of School that the student be expelled.

Second Offense (not within the same school year)

- Repeat procedures in FIRST OFFENSE.

Third Offense-Cumulative

- It is recognized that such an offense is a violation of the law so the Principal/Assistant Principal will notify the Juvenile Authorities and the appropriate law enforcement agencies to file charges against the student.
- The Principal/Assistant Principal will suspend the student for ten (10) days and recommend to the Superintendent of Schools that the student be expelled in compliance with the Student Due Process procedures.
- The Principal/Assistant Principal will notify the parent(s)/guardian(s) in writing.
- The Principal/Assistant Principal will notify the school counselor and Core-Team coordinator.

SELLING, SUPPLYING, SHARING, OFFERING TO SELL, SUPPLY, SHARE OR DEALING OF CHEMICALS (DRUGS/ALCOHOL) PROCEDURES FOR KINDERGARTEN THROUGH GRADE TWELVE:

- The Principal will notify the parent(s)/guardian(s) in writing. The Principal/Assistant Principal will notify the school counselor, and core-team coordinator.
- The Principal/Assistant Principal will consider the following in making the decision on the length of the expulsion:
 - The age and grade level of the student
 - Data collected by the school, including the past record of the student
 - The degree of involvement.
 - The cooperativeness of the student and the family with the school and law enforcement agencies.
 - The family's willingness to seek a professional evaluation and/or counseling from a trained Chemical Dependency Counselor and to follow the recommended treatment program.

Students may be suspended for this offense, with the same procedures to be followed as outlined above in sections IV and V.

STAFF AWARENESS AND PARTICIPATION

Teachers, counselors, and administrators shall become familiar with the Chemical Intervention Policy and Program through in-service presentations which include: a definition of policy, procedure, and terms; an explanation of referral and report back procedures (samples of the confidential referral forms are attached); and a description of student and parent support groups. Appendix A demonstrates the steps and flow of the referral of and intervention program and the various individuals and procedures involved in the process.
