Dear Parents/Guardians:

April 12, 2024

Hello! I hope everyone had a wonderful Spring Break and is ready to finish the year on a positive note! State testing will be starting soon, and I wanted to send a few reminders. As testing starts right away at 8:45 am, please ensure that your students are on time each day. For every student to do their best, it is very helpful if they get a good night's sleep and eat a good breakfast before testing. All students need headphones or earbuds compatible with our chrome books to use while testing for Math and Science. Headphones/ear buds are not permitted during the Reading test. As always, cell phones must be kept in your child's backpack, but students also are not permitted to wear smart watches during state testing (unless they have a documented medical need). Smart watches should stay home during testing or they must be placed in their backpacks in their lockers.

Students and teachers have been working very hard this school year and now it's time to show the state what we know. Please feel free to reach out to me directly at [Jennifer.dearwester@carlisleindians.org](mailto:Jennifer.dearwester@carlisleindians.org) if you ever have any questions, suggestions, or concerns.

Sincerely,

Ms. Dearwester
