

Gene Fogle

Our third inductee is Gene Fogle. Gene was a four year varsity starter for Carlisle in basketball. During that time, he averaged 17.7 points per game. He was an All State player his senior year and averaged 23.7 points per game that year. He was a four time member of the All Warren County Team. Gene is best known as the All Time Point leader at Carlisle with 1,310 total points. After graduating, he was on the Ohio All Star team.

He attended the University of Tampa where he played basketball and was a very good player there as well.

Gene could not be here tonight, so accepting his award on his behalf is his brother, Ron Fogle. The Fogle name is synonymous with Carlisle athletics.

2014 inductee...Gene Fogle
