Absences: *If you are absent, it is YOUR responsibility to inquire about missed work, what was collected and make up all work within the number of days you were absent unless other arrangements are made. Tests must be made up on your own time, not during class, within the number of days you were absent. Zeros will be given if you fail to make up work in an acceptable time frame! (Ex.: absent 2 days, 2 days to make up work.)*
