**ONE CARING
COMMUNITY.**

Community members who attend this event will leave with a greater understanding of sexual assault, alcohol and technology misuse, and the culture that perpetuates them. Attendees will get a chance to reflect on the film, enhance their knowledge, and learn to be a facilitator of change.

For any parent, coach, youth leader, teacher, or community member that influences youth.

This film is about a sexual assault & underage drinking that occurred and can be difficult to watch and talk about, regardless of whether you or someone you know has ever been affected by violence.
