Learning Recovery & Extended Learning Plan

District Name:	Carlisle Local School District
District Address:	230 Jamaica Road, Carlisle, OH 45005
District Contact:	David S. Vail, PhD
District IRN:	050419

On February 9, 2021, Governor DeWine asked schools and districts to work with their communities and educational stakeholders to help students continue to advance academically and to make up for any learning that may have been lost or delayed due to the coronavirus pandemic and related disruptions.

> **"This once-in-a-lifetime pandemic has impacted all of us, so it should be no surprise that it has impacted our children. But we should not panic, nor should we be surprised by the results of assessments," said Governor DeWine. "Instead, we should do what Ohioans have always done when facing a challenge – stay calm, roll up our sleeves, and work to solve the problem."**

Governor DeWine has requested that schools and districts design plans that address learning recovery and extended learning opportunities to meet the needs of students that could include, but are not limited to, extending the current school year, beginning the new year early, extending the school day or instituting summer programs, tutoring, remote options, and other remedial or supplemental activities.

Plans should address, but are not limited to, the following key components:
- **Impacted Students:** How will schools and districts identify which students have been most impacted by the pandemic in terms of their learning progress (with a focus on the most vulnerable student populations)?
- **Needs Assessment:** How will schools and districts identify the needs of those students?
- **Resources and Budget:** What resources are available to address those needs? Generally, what is the budget for the plan?
- **Approaches:** What approaches can best be deployed to address those needs? (This may include approaches such as ending the school year later than scheduled, beginning the new year early, extending the school day, summer programs, tutoring, and remote options.)
- **Partnerships:** Which local and regional partners (such as Educational Service Centers, Information Technology Centers, libraries, museums, after-school programs, or civic organizations) can schools and districts engage in supporting student needs?
- **Alignment:** How can this plan reinforce and align to other district or school plans? This may include but is not limited to Student Wellness and Success Fund plans, remote learning plans, improvement plans, CCIP-related plans, graduation plans.

Each district or school should consider its unique needs and issues and prepare its plan in a way that responds appropriately and leverages the assets of its unique partners including their Educational Service Center and other regional and community-based partners. Each district or school should consider a wide range of representation and voices from district and community stakeholders in planning for learning recovery and extended learning opportunities.

The governor asked schools and districts to provide their plans to the public and General Assembly no later than April 1.

Learning Recovery & Extended Learning Plan

This template has been designed to assist districts in meeting and exceeding this requirement and in supporting their long-term instructional planning efforts. Please refer to the Planning Support Document at the end of this template for guiding questions and resources.

Questions, comments and concerns can be emailed to: ExtendedLearning@education.ohio.gov

ODE's Planning for Extended Learning FAQ's

Identifying Academic Needs

ESC ASSOCIATION

Impacted Students:	*How will schools/districts identify which students have been most impact* terms of their learning progress (with a focus on the most vulnerable student populations including but not limited to disengaged students)?*	

Considerations:		**Budget**

- **Resources** *(Existing and Needed)*
- **Partnerships** *(Local/Regional, ESC, ITC, libraries, museums, after-school programs, civic organizations, etc.)*
- **Alignment** *(Other District/School Plans, Wellness and Success plans, remote learning plans, improvement plans, CCIP-related plans, graduation plans, student success plans, etc.)*
    - *Alignment with current OIP five-step processes (1-Identify Critical Needs, 2-Research and Select Evidence-Based Strategies, 3-Plan for Implementation, 4-Implement and Monitor, 5-Examine, Reflect, Adjust)*
- **Core Questions to Consider:**
    - *What do students need to know?*
    - *How do we know if they've learned it?*
    - *How do we intervene for those students who have not learned it?*
    - *How do extend other opportunities for those who have learned it?*		

Spring 2021	Utilize data from standardized tests, teacher/course based tests to determine the current level of students to plan for remediation prior to the end of the year and prepare strategies for summer and start of 2021-2022 school year. Looking at utilizing an independent test/program, such as Edmentum, to gather additional data at specific grade levels.	Based upon cost of program per student population being tested. Maximum of $7.500 for 1500 students at $5 per pupil.
Summer 2021	Offer summer school for the students at grade level or for specific courses based on need from data gathered from testing, as well as input from teachers. Looking at a program, "COVID Camp," to address needs for Special Needs students to address gaps in learning and/or services. Availability will	Based upon salary requirements of staff that are required to provide instruction and/or

	be based upon interest and enrollment.	services for those enrolled.
2021 - 2022	Continue to assess progress from previous year through standardized testing and teacher-made evaluations. Additional staff added, as required, to address areas showing the largest learning gaps, as well as any social emotional issues attributed to COVD-19. As we were full in-person for the 2020-2021 school year, with about 10-15% of our student body choosing to learn via the Virtual Learning Academy (VLA), which was offered through Warren County ESC. We have seen a number of students returning to the building as the year progresses.	TBD
2022 - 2023	Continue to assess progress from previous year through standardized testing and teacher-made evaluations. Additional staff added, as required, to address areas showing the largest learning gaps, as well as any social emotional issues attributed to COVD-19. As we were full in-person for the 2020-2021 school year, with about 10-15% of our student body choosing to learn via the Virtual Learning Academy (VLA), which was offered through Warren County ESC. We have seen a number of students returning to the building as the year progresses.	TBD

Approaches to Address Academic Gap Filling

ESC ASSOCIATION

Approaches & Removing/ Overcoming Barriers	*What approaches will schools/districts use to fill learning needs identified above? What steps will be taken to remove/overcome barriers that may be associated with the "Gap Filling Approaches" (transportation to tutoring, no data to track/identify specific student needs, funding concerns to support approaches, etc.)?*

Considerations:	**Budget**

- **Resources** *(Existing and Needed)*
- **Partnerships** *(Local/Regional, ESC, ITC, libraries, museums, after-school programs, civic organizations, etc.)*
- **Alignment** *(Other District/School Plans, Wellness and Success plans, remote learning plans, improvement plans, CCIP-related plans, graduation plans, student success plans, etc.)*
  - *Alignment with current OIP five-step processes (1-Identify Critical Needs, 2-Research and Select Evidence-Based Strategies, 3-Plan for Implementation, 4-Implement and Monitor, 5-Examine, Reflect, Adjust)*
- **Core Questions to Consider:**
  - *What do students need to know?*
  - *How do we know if they've learned it?*	

Learning Recovery & Extended Learning Plan

- How do we intervene for those students who have not learned it? - How do extend other opportunities for those who have learned it?		
Spring 2021	We will be using resources made available from county, state, and federal applications to assess where students are currently with respect to previous years and aligned with the prescribed curriculum. Those same resources will be used to allow us to get our students who are not where we need them to be to enable them to get on grade level or have the prerequisite skills necessary to remain with the peer group/grade level colleagues.	TBA/As necessary to acquire programs, resources, and materials to address the need of the students.
Summer 2021	Offer programs, either district or county initiated, to bridge the gap between where we are and where we need to be, as well as providing families resources to work independently to make strides toward making individual improvements.	TBD - Based on the cost of materials and/or staff to implement necessary programs.
2021 - 2022	Will use the OIP process to determine areas of needs and align with ODE requirements. Will continue to monitor progress of students toward mastery of subject/content, as well as progress toward grade advancement and graduation.	TBD - Based on costs for programs, resources, and staff additions to meet the needs of the students.
2022 - 2023	Will use the OIP process to determine areas of needs and align with ODE requirements. Will continue to monitor progress of students toward mastery of subject/content, as well as progress toward grade advancement and graduation.	TBD - Based on costs for programs, resources, and staff additions to meet the needs of the students.

ESC ASSOCIATION

Approaches to Identify Social & Emotional Needs

Impacted Students:	*How will schools/districts identify which students have been most impacted by the pandemic in terms of their social/emotional needs (with a focus on the most vulnerable student populations including but not limited to disengaged students)?*

Considerations:	**Budget**
- **Resources** *(Existing and Needed)* - **Partnerships** *(Local/Regional, ESC, ITC, libraries, museums, after-school programs, civic organizations, etc.)* - **Alignment** *(Other District/School Plans, Wellness and Success plans, remote learning plans, improvement plans, OIP, CCIP-related plans, graduation plans, student success plans, etc.)*	
Spring 2021 Based on referrals from parents and staff, students are coordinated with a counselor, SEL staff member, school psychs, or social worker to address concerns. All material made available to the district from local, state, or federal which address Social and Emotional issues is passed along to staff and our school community.	N/A - Part of our staff's current job description and focus.
Summer 2021 Will utilize the same strategies used in the Spring for any programs, etc. that we implement in summer. If no programs are put into place, we will continue to disseminate information via various methods to our school community.	TBD - Based upon staff required to provide instruction or guidance programs which are put into place.
2021 - 2022 Continue to monitor and assess needs of students and staff, as well as local state, and federal guidelines addressing these issues, as well as following ODE policies and our own board policies. Additional staff and/or resources as needed to address the number of individuals needing assistance.	TBD - Based upon programs needed to address needs and cost of these programs and/or personnel needed to implement.
2022 - 2023 Continue to monitor and assess needs of students and staff, as well as local state, and federal guidelines addressing these issues, as well as following ODE policies and our own board policies. Additional staff and/or resources as needed to address the number of individuals needing assistance.	TBD - Based upon programs needed to address needs and cost of these programs and/or personnel needed

		to implement.

		programs and'or personnel needed to implement.

PLANNING SUPPORT DOCUMENT

OESC
ASSOCIATION

As stated by ODE, this is not a one-size-fits-all exercise. Each district or school should consider its unique needs and issues and prepare its plan in a way that responds appropriately and leverages the assets of its unique partners. The template above has been designed to be as adaptable as possible given the wide range of district experiences and needs. The pages below in the Planning Support Document are designed to assist districts as they think through the nuances that may be significant to their respective district. Educational Service Centers are here to support. Some schools and districts may choose to have similar plans to facilitate effective implementation. ESCs may be able to provide coordination for such collaborative approaches. The following planning support document is provided to assist teams in thinking through the planning process. Additionally, rather than an exhaustive list of resources that quickly becomes overwhelming and outdated, a few key elements have been provided to assist in planning. Districts may also want to consult ODE's Reset and Restart website and planning guide. Additional planning resources are also available at http://reframingeducation.org/. This decision-making framework was developed by Ohio's network of ESCs to assist districts in having authentic conversations about instructional expectations and making plans to reframe education moving forward; we encourage districts to reach out to their ESCs for additional support as needed.

ACADEMIC PLANNING

OESC
ASSOCIATION

Learning Recovery & Extended Learning Plan

Determining Academic Needs	**How will instructional needs be determined?** Possible/Optional item(s) to consider: • Performance on tests (e.g., district assessments, statewide tests, ACTs, etc.); (Districts will not have statewide achievement data until after the end of the school year and may need to identify assessment tools to identify gaps.) • How will districts determine impacted/vulnerable populations? • How will districts/schools combat barriers for disengaged students? • What opportunities were missed due to the inability to access programming? Can any of these opportunities be reinstated in the summer or next school year? (Districts are encouraged to consider this question through an equity lens for student populations-- Students with Disabilities, English Language Learners, Gifted Students, All Learners, etc.) • Access to key opportunities (e.g., advanced mathematics, physics, higher education, interventions, etc.) may have been lost due to the pandemic. • Attainment (e.g., high school diploma, college degree, employment) • What essential elements of determining instructional needs are already in place? • District MTSS Process and Universal Screeners • Use of/Alignment with the OIP/DLT/BLT/TBT process to determine; What do students need to know? How do we know if they've learned it? How do we intervene for those students who have not learned it? How do we extend other opportunities for those students who have learned it? • Gap Analysis for ELA, Math, Science, and Social Studies • Prioritize Literacy and Math • Prioritized Standards • Supports for IEPs/Compensatory Services, Written Education Plan (WEP) adjustments, etc. • Rising Kindergarteners (These students have spent a significant portion of their life in a pandemic environment. What needs might they have as they enter Kindergarten in Fall 2021?)
Filling Academic Gaps	**How will academic gaps be filled?** Possible/Optional item(s) to consider: • Existing processes and supports • Partnerships (ESC, libraries, museums, after-school programs, civic organizations, pre-school providers, etc.) • MTSS processes • Effective district-wide/school-wide leadership teams focusing on achievement gaps • Data-based decision-making - How will achievement gaps be addressed in BLTs and TBTs? • Will measurable objectives be required? Or will these be supplemental offerings that the parent/guardian may choose to have their student participate in and benefit from? • What happens with students who do become proficient? • Triage plans for Seniors/Credit Recovery Options for HS • Supports for IEPs/Compensatory Services, Written Education Plan (WEP) adjustments, etc. • Student Success Plans • Personalized learning opportunities • Clear instructional plans have been created with prioritized standards • Clear instructional plans have been communicated with staff, parents, and other stakeholders • Cross grade-level communication • Coordination with relevant partners to support Literacy, Math, and SEL - ESCs, tutors, etc. • Who, When, How…Cohorts, Family PODs, Layout, and Delivery • How do we ensure at-risk students are taking advantage of the opportunities?

	- How can disengaged students be reengaged? - How can ESC Family and Community Partnership Liaisons support this work with vulnerable student populations including but not limited to disengaged students? - What steps will be taken to remove/overcome barriers that may be associated with the "Gap Filling Approaches" (transportation to tutoring, no data to track/identify specific student needs, funding concerns to support approaches, etc.)?
Determine Competency	What method(s) will be used to **determine competency** for pandemic learning? Possible/Optional item(s) to consider: - Develop and communicate a plan for determining competency (grading and assessments, grade-level advancement) - Develop and communicate a plan for promoting students vs. retention - Consider equity of practices, long-term consequences, social/emotional factors
Resource Link(s):	What Works Clearinghouse Priority Math, Reading and Writing Standards Determination of Student Educational Needs Exceptional and At-Risk Youth District & Building Level Educational Considerations & Planning Teacher Level Educational Considerations and Planning Non-Building Based Learning Opportunities Ohio Improvement Process

SOCIAL & EMOTIONAL NEEDS

Determining Social Emotional Needs	How will **social and emotional needs** be **determined**? Possible/Optional item(s) to consider: - District MTSS Process and SEL Screeners - Student Wellness and Success Plans - Integrate, coordinate, and align with relevant partners to support this work including ESCs, SSTs, ADAMHS boards, key health care, behavioral health, social services and cultural partners. - How can ESC Family and Community Partnership Liaisons support in this area? - Are there prevention services/opportunities available through ADAMS and ESCs?
Addressing Social and Emotional Needs	How will **social and emotional needs** be **addressed**? Possible/Optional item(s) to consider: - MTSS processes - Alignment to existing Wellness Plans - Alignment to existing Student Success Plans - Triage plans

	• Integrate, coordinate, and align with relevant partners to support this work including ESCs, SSTs, ADAMHS boards, key health care, behavioral health, social services and cultural partners. • Comprehensive Support for Students - screen for social and medical services (work with community agencies), identify students who need instructional support (mentors, tutors, peer support, etc.)

ESC ASSOCIATION

Learning Recovery & Extended Learning Plan

PROFESSIONAL LEARNING NEEDS

Professional Learning	What **professional development** activities will be needed/offered to your school district's teachers and partners to support learning recovery? Possible/Optional item(s) to consider: • Create and communicate a Professional Learning plan that includes professional development to help teachers determine academic needs, social emotional needs and to coach partners. • How will teachers, stakeholders, and others be brought into the planning and professional learning process? • If schools are looking to partners to support learning recovery, how will efforts be coordinated? • How will tutors or others be trained? • What school staff/ESC/SST staff can support training community partners? • Alignment to the Ohio Improvement Process and One Needs Assessment • What social and emotional PD will help teachers address wellness needs of students and staff recovering from added pandemic stressors? (Consider alignment to Student Wellness and Success Plans)
