

Free Basketball Clinic!

We would like to invite all Kindergarten through 8th grade girls and boys to a free basketball training offered by Christa Harris, the Carlisle High School Girls and Boys Basketball teams. The training will include the basic skills of basketball. The tools provided will be a great way to continue your progress through the offseason. In addition to the training, you will be supporting a great cause. The clinic is free, but we are asking for donations to support the Hope House Homeless Shelter in Middletown and the Franklin Food Pantry. We ask that you bring one or more of these items listed to donate. Also, please bring a basketball to use during the clinic.
