

CARLISLE INDIANS ROCK

**Do you want to leave your mark on the
new building's path in history?**

Carlisle Elementary PTO is offering you a **one time** chance to do just that with our **Carlisle Indians Rock** fundraiser. Students and/or their families can purchase a rock painting kit with everything you need to create a unique piece of art. The rocks will be used to create a colorful path on the school grounds this spring. Will your family create a rock together? Or will you create an individual design? The choice is yours to add to the beauty of our new school grounds!

**Rock kits are \$20 for the first kit and \$15
for each additional kit.**

To participate, please complete the bottom portion of this flyer and send in with your payment by Friday, March 12, 2021. We will accept checks made payable to Carlisle Elementary PTO or exact change.

Purchased kits will be sent home with your student before Spring Break and need to be returned to school the week after Spring Break. If you need alternative pickup options, please email us at:
CarlisleElementaryPTO@gmail.com

Please Detach and Return By Friday 3/12
