

The Southwest Ohio Council of Governments (SWOCOG)

Is a partnership between Butler County Educational Service Center and Warren County Educational Service Center established in June 2012 and is the sole provider of certified substitute teachers for SWOCOG partner school districts.

Participating districts will only employ certified substitute teachers who have been processed and hired through the SWOCOG. Our certified substitute teachers may substitute in any of the SWOCOG districts.

We are waiting for the Ohio Department of Education to announce if Non-Bachelor Degree Substitutes are eligible to be hired by participating districts in the 2022-23 school year.
