APPLICANT'S CONSENT TO BACKGROUND INVESTIGATION
Ohio law requires a Board of Education to conduct a criminal record check of any applicant who is receiving final consideration for a position involving the care, custody, or control of school children. Further, a Board of Education must be able to communicate freely with the persons isted as references by the applicant, as well as other persons and organizations who may have knowledge of the qualifications and fitness of the applicant for the position.
By your signature below, you agree to:
1) Be fingerprinted for both State and Federal background checks by an authorized agency, at the expense of the applicant.
2) Provide copies of the background check results for both State (Ohio Bureau of Criminal Identification and Investigation) and Federal (FBI) to the Board of Education. Result reports must not be more than 12 months old.
3) Authorize the Board of Education to make inquiries of past employers, and other persons and entities, whether listed among your references or not, for the purpose of determining your qualifications and fitness for the position.
The completion of this section is required for further consideration of your application.
