UPON ARRIVAL

Please enter the building through the main entrance and sign in. In the lobby, teacher's names will be posted. Please find your child's teacher's name and wait near the posting.

AFTER FINISHING YOUR MEAL

Some parents choose to take their child home after eating. If you choose to do this, please keep in mind that this day is treated just like any other and will count as an unexcused half day absence on your child's attendance record. There will be a school employee in the lobby. You will need to provide your child's name, your name, and a photo ID to complete the sign out process.

Additionally, your child may need to return to class to gather their belongings. It is very important that you wait in the lobby while your child returns to class. ***Please DO NOT leave the lobby area.*** Only children and school district employees are permitted in the academic wings.

PRICE AND PAYMENT INFORMATION

All visitors **MUST** prepay for their lunches and you will receive your Pre Paid Voucher from your child's teacher the day of the lunch to take to the cafeteria. Please send your money to the cafeteria **no later than November 14th** with the number attending. (i.e.: 1 adult 1 additional sibling). You will not be able to attend without a prepayment as we need to have a final count for visitors.

Money for your student lunches will go directly into their student lunch account. Please fill out the bottom of this sheet and return **with** your payment to Food Service.
