

# SCHOOL CLOSING PROCEDURES

The Carlisle Local School District is a member of the Dayton and Cincinnati Emergency School Closing Network. As in the past, this network will provide our community with information with respect to the status of Carlisle Local Schools during inclement weather. Our decision to close school will be made no later than 5:45 a.m. or no later than 10:00 p.m. the night before when conditions warrant an early decision. Please keep in mind that we have little control over the stations and their broadcast times. This has been an effective system in past years and will continue to meet the needs of our community.
