To Whom It May Concern,

The purpose of this letter is to serve as a reminder that effective January 1, 2004, all employers should begin withholding a 1% School District Income Tax on the income of all of their employees who reside in the Carlisle Local School District (District). This tax was approved by the voters of the Carlisle School District on May 6, 2003 and is to be imposed on the income of all residents of the District. It doesn't matter where the employee works. If the employee lives in the boundaries of the District, their income is subject to the tax.

Please do not confuse this with any City Income Tax, as it is a completely separate income tax.

Provisions of the School District Income Tax are spelled out in Chapters 5747 and 5748 of the Ohio Revised Code. As an employer, you are required to withhold this 1% School District Income Tax if your employee lives in the Carlisle Local School District. The tax you withhold from the employee's pay is submitted to the Ohio Department of Taxation on SD-101 forms you get from the State. Please note that our four-digit School district ID number is **8301**. It is very important that this number is used during your payroll processing and subsequent remittance of the tax to the Ohio Department of Taxation.

I appreciate your assistance in this matter. Should you have any questions, please call the Ohio Department of Taxations (888/405-4039) or me at (937/746-4851).

Respectfully,

Dan Bassler, Treasurer
Carlisle Local School District

ADMISSION OF HOMELESS STUDENTS

The Board believes that all school-aged students, including homeless students, have a basic right to equal educational opportunities. Accordingly, the District must enroll each homeless student located in the District in the school determined to be in the student's best interest. A homeless student or individual is defined as an individual who lacks fixed, regular and adequate nighttime residence and who has a primary nighttime residence that is:

1. a supervised, publicly or privately operated shelter designed to provide temporary living accommodations (including welfare hotels, congregate shelters and transitional housing for the mentally ill);
2. an institution that provides a temporary residence for individuals intended to be institutionalized;
3. a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings;
4. a motel, car, campground or
5. a "doubling up" with another family because of inability to afford housing otherwise.

In compliance with the McKinney-Vento Homeless Assistance Act, the District must make school placement determination on the basis of the best interest of the student. To the extent feasible, homeless students are kept in the school of origin unless doing so is contrary to the wishes of the student's parent or guardian.

The board ensures that:

1. it reviews and revises Board policies and regulations to eliminate barriers to the enrollment and retention in school of homeless students;
2. the District does not segregate homeless students into separate schools or separate programs within a school based on the student's status as homeless;
3. it appoints a District liaison for homeless children who shall be responsible for implementing this policy;
4. homeless students are provided with transportation services that are at least comparable to the service provided to non-homeless students.

The liaison ensures compliance with the sub grant and coordinates services for homeless students with local social services agencies and programs, including those funded under the Runaway and Homeless Youth Act.

To the extent feasible, the District complies with the request made by a parent(s) regarding school placement regardless of whether the student lives with the homeless parent(s) or is temporarily residing elsewhere.

A student who ceases to be homeless may continue to receive services until the end of the period of time for which the service was originally intended to be provided, which may be the end of the school year or the end of a program cycle.

The District complies with the Ohio Department of Education's Plan and State and Federal laws for the education of homeless children and youth.

ADOPTED: January 2007

Carlisle Local School District
Public Notice
Educational Rights of Homeless Children and Youth

Welcome to our school and school district. Our school district is actively seeking to enroll children and youth who are homeless. If you are homeless or know of a child or youth that is homeless and not attending school, please contact the following individual who will provide information and assistance during the enrollment process:

Local Liaison Name(s): David Vail/Bryan Coffey/Theresa Ball Telephone: (937) 746-0710

School Address: 230 Jamaica Rd; Carlisle, OH 45005

- *Who is considered "homeless"?* Any child or youth not attending school who lacks a fixed, regular, and adequate nighttime residence is considered homeless and includes those who are sharing housing with others due to loss of housing or economic hardship. It also includes children and youth who are living in hotels, camping grounds, emergency shelters, cars, bus or train stations, or other similar settings. If you are not sure, please call your local liaison listed above.
- *What are the education rights of homeless children and youth?* Our schools provide equal and comparable access to all students regardless of their home living situation. Homeless children and youth have specific rights that include:
 - a) Immediate enrollment in school and, when desired or feasible, at the "school of origin."
 - b) Prompt provision of necessary services such as transportation and meal programs.
 - c) Appropriate support services and programs for which they are eligible such as programs for gifted, children with disabilities, vocational education, and preschool.
 - d) Academic assistance through the district's federally funded Title I program.
 - e) Parent or guardian involvement in school activities.
- *What is the "school of origin"?* The term "school of origin" means the school the child or youth attended when permanently housed or the school in which the child or youth was last enrolled. It is the district's responsibility to consider the best interests of the child or youth when making a decision regarding what school to attend. Consideration must be given to placement at the school of origin unless doing so in contrary to the wishes of the parent or guardian.
- *What if there is disagreement regarding school placement?* The parent, guardian or unaccompanied youth (a youth not in the physical custody of a parent or guardian) may appeal the placement decision if the district makes a placement in a school other than the school of origin or a school requested by the parent, guardian or unaccompanied youth. The student will be immediately enrolled in the school in which enrollment was requested by the student or parent while an appeal is pending. The person indicated above will provide information and assistance regarding such an appeal.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

- Parents or eligible students have the right to inspect and review the student's education records within 45 days of the day the school receives a written request identifying these records. The school official will notify the parent or eligible student of the time and place where the records may be reviewed.
- Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record, setting forth his or her view about the contested information.
- Schools must have written permission from the parent or eligible student in order to release any information from a student's **education** record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):
 - School officials with legitimate educational interest;
 - Other schools to which a student is transferring;
 - Specified officials for audit or evaluation purposes;
 - Appropriate parties in connection with financial aid to a student;
 - Organizations conducting certain studies for or on behalf of the school;
 - Accrediting organizations;
 - To comply with a judicial order or lawfully issued subpoena;
 - Appropriate officials in cases of health and safety emergencies; and
 - State and local authorities, within a juvenile justice system, pursuant to specific State law.
- Parents or eligible students have the right to file a complaint with the U.S. Department of Education concerning alleged failures by the School District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Ave, SW
Washington, DC 20202-5920

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. As a parent or eligible student you have the right to request, in writing, that the school not disclose directory information about them. This request must be received in a reasonable amount of time, not to exceed two weeks from notification of rights.
